

More for them

ExtraCare[®] Health program can give your employees a handy discount.

They're going to love this

The ExtraCare Health program will give your employees:

- A 20% discount* on thousands of regularly priced CVS Health® brand health-related items
- The ability to link that discount directly to an existing ExtraCare® retail loyalty card, or to a new card requested through **CVS.com** or any CVS Pharmacy® location
- Plus, 2% back in ExtraBucks® Rewards from everyday CVS purchases and extra savings on sale items with their ExtraCare card

Who's eligible?

The program is available to any commercial client, all funding types, that opts in to the program.

Fully insured clients must have Aetna Managed Pharmacy Network. Self-insured clients must have Maintenance Choice® Incentivized or Maintenance Choice Mandatory/Mandatory with Opt-Out OR Aetna Managed Pharmacy Network to be eligible.

How do we start?

Once you opt in to the ExtraCare Health program, the simplified member experience** kicks in:

Members get a personalized email from us with a unique URL that goes right to the ExtraCare Health website.

They'll enter information to validate their eligibility and their ExtraCare card number to attach their discount.

Members can then use their ExtraCare card or phone number at checkout on **CVS.com** or at any CVS Pharmacy to get the discount.

And we help you promote the program with a handy toolkit, available through your Aetna® account manager. It includes enrollment materials, a website posting and other employee benefits announcements.

**You can give your employees all of this, at no added cost.
Connect with your Aetna account manager for more information.**

*The 20% discount is restricted to items purchased for the health of the cardholder only and applies to regularly priced CVS Health Brand health-related items valued at \$1 or more. The ExtraCare Health benefit may not be used in Target stores, including those with a CVS Pharmacy in them. Excludes alcohol, lottery, money orders, prescriptions and copays, pseudoephedrine/ephedrine products, postage stamps, prepaid cards, gift cards, newspapers and magazines, milk (where required by law or regulation), bottle deposits, bus passes, hunting and fishing licenses, any imposed governmental fees, or items reimbursed by a government health plan.

**This experience applies to new members who enroll after January 1, 2020.
