

Tuition Rewards Deadlines

1st Deadline

Students can be registered from birth through Aug. 31st of the year that 12th grade begins

2nd Deadline

Tuition Rewards Points must be submitted to member colleges within 10 days of a student's applications

Two Tuition Rewards deadlines:

1. Students must be registered by August 31st of the year that the student begins 12th grade. This is also the last date that a student can earn or receive Tuition Rewards.

SAGE Tip:

Register students as early as possible to get the most benefit from Tuition Rewards!

- ✓ Comprehensive funding, college, and career planning tools
- ✓ Network directly with member colleges and universities
- ✓ Get recruited with your completed SAGE Student Profile

2. Tuition Rewards must be submitted to member colleges or universities within 10 days of student's applications.

These are the deadlines in most cases. Some programs may have an earlier deadline to add a student (please refer to the program documentation or your welcome email for details) but have the same deadline for transfer of points. Check out our FAQs for more information.
