

## 2020 OptumRx Specialty Drug List - Comparison to 2020 Aetna Rx Specialty Drug List

This document compares the drugs on OptumRx's July 2020 Specialty Drug List with those on the Aetna July 2020 Rx Specialty Drug List.

**Discontinued** = the drug is no longer available on the market

**Excluded** = the drug is excluded from Aetna's formulary; coverage may be requested through medical necessity

**Included** = the drug is on the Aetna Rx Specialty Drug List

**Medical Policy** = the drug is covered through the medical benefit, not the pharmacy program; your provider should supply the drug

**Non-Specialty** = the drug is on Aetna's formulary but is not designated as a specialty drug; you should fill it at a non-specialty pharmacy in 2021
