Please remember that this is not a complete list of drugs covered under your plan. Products may be subject to plan-specific copayment or coinsurance, additional charges or other restrictions. Certain drugs, such as those for infertility, erectile dysfunction, weight loss, smoking cessation or vitamins, may not be covered by your particular pharmacy plan. Diabetic supplies may be covered under your medical plan.

To check coverage and copay information for a specific drug, please visit the website on your member ID card and log in to your member website. If you don't have access to our website, call the toll-free number on your member ID card.

Information is believed to be accurate as of the production date; however, it is subject to change.
