It has only been a few sessions, and my child is already starting to recognize when their anxious thoughts might be ‘false alarms.’

- Brightline parent

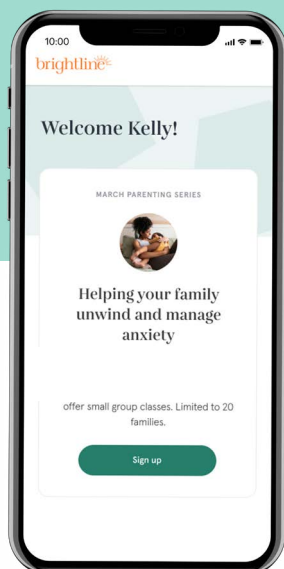

Virtual mental health care for kids & teens

What’s included in your Brightline membership:

Personalized care plans

- Your dedicated coach will walk you through your care options (therapy, coaching, psychiatry) and help manage your kid’s care over time.
- Care is coordinated with all the important people in your kid’s life (teachers, pediatricians, counselors) so everyone is on the same page.

Experts you can trust

- Our mental health experts have years of experience working with kids, teens and families.
- All therapists practice evidence-based Cognitive Behavioral Therapy (CBT), and all coaching programs are CBT-guided.
