

Aetna Plan Selection & Cost Estimator

Compare Choice, Value, and Basic Health options using your prior claims

<https://www.aetna.com/planselection/mbrDis.jsp?id=964>

- “Log In” using your Aetna username and password. If you don’t have a username and password, go to www.aetna.com and choose “Register”. Once you’ve registered, go back and log in the Cost Estimator.
- If you’d prefer not to use your prior claims, choose “Continue to the Tool”.
- Select benefits year
- Your demographic information should self-populate
- Add Spouse and Dependent if appropriate
- Click on “Next”
- Answer question about chronic conditions.
- Click on “Use Actual Claims” to use actual claims data from the prior 12 months.
- Change utilization numbers if you think they will be different from the prior 12 months. You can “View All Claims History” if you want to look at all your claims from the prior 12 months. Update any services in red.
- Click on “Next Dependent” to view plan dependents claim history
- Answer question about chronic conditions
- Click on “Use Actual Claims” to use actual claims data from the prior 12 months.
- Change utilization numbers if you think they will be different from prior 12 months. You can “View All Claims History” if you want to look at claims from the prior 12 months. Update any services in red.
- Repeat “Next Dependent” steps above for other dependents
- Click on “Next”
- Choose up to 4 plan offerings for your comparison.
- For each offering you chose, enter the annual paycheck premium amount below for the appropriate tier.
