

University of Virginia Health Plan Foreign Country Enrollment Form for Participants residing Outside the United States

Members residing outside the United States for 90 days or longer may use providers in the foreign country in which they are located as in-network providers for medically necessary health services with the exception of transplants. All transplant services must be performed by Aetna Institutes of Excellence Network Providers. Health services received in the U.S. must be provided by Aetna participating providers to be eligible for in-network benefits. Submit claim forms for non-U.S. providers to Aetna for reimbursement at in-network rates.
