That’s why University Medical Center offers a number of programs that promote a better work-life balance, including a generous and comprehensive time off program, a number of leaves of absence, and dependent care resources. These include:

- Paid Time Off (PTO)
- PTO Cash Out
- PTO Leave Donation
- Paid Parental Leave
- Leaves of Absence
- Ongoing Care - Childcare Center or At Home

University Medical Center’s PTO plan exceeds industry standards for similar academic medical centers nationally. This is according to a recent benchmarking study UVA Health performed across multiple medical centers, which found that out of 700 medical institutions surveyed – including many of our peer healthcare groups – University Medical Center is seated in the top half for PTO accrual program and in the top quartile for our carryover/payout program.

Begin accruing PTO on your first day! And as your time with UVA increases, so does your accrual rate. To provide flexibility to all of our teams, University Medical Center’s PTO plan combines Paid Time Off into one pool that you can use for a variety of purposes, including sick time, holidays, extended bereavement, personal business, etc. If your office is closed on a holiday, PTO hours may be used to cover the holiday.

Unique to University Medical Center team members is the benefit of receiving an additional eight hours of paid leave per year for public service, so you can get out there and be a part of the broader community. Twice yearly, employees with over 40 hours of time off are eligible to request a PTO cash out.

When paid leave isn’t a possibility, there are options to take leave without pay. If you find yourself in need, you can request leave donations, and your community of colleagues have an opportunity to help support you.
