

Exciting Technology Updates
Coming Soon

Chard Snyder's commitment to you includes providing best-in-class smart technology. We're pleased to share this upcoming update for the Chard Snyder Savings & Spending Accounts coming in **May 2021!**

Multi-Factor Authentication (MFA)

Chard Snyder is implementing multi-factor authentication (MFA) within the **employer and participant portals for Savings & Spending Accounts** to

provide an extra layer of security when you log in.

As an employer, you may be prompted to authenticate your account and set up further details.

Participants may be prompted to authenticate their account and set up further account details when they are on a mobile or desktop device at the time of log in or transaction request.

The process will be fully explained on screen and will provide options for verifying your identity.

If you have any questions about these technology enhancements, please contact your Chard Snyder day-to-day Benefits Administrator or Client Relationship Manager.

Chard Snyder provides

Savings & Spending Accounts - FSA, HSA, HRA, Commuter Benefits

Benefit Continuation Services - COBRA; Retiree, Direct & Other Billing

Plan Document Services - Wrap, POP, Plan-Specific Documents & Testing

FMLA Leave Administration - End-to-end process management
