## **Contribute Tax-Free Money**

Save tax-free money directly from your pay. It's easy, and it's the simplest way to maximize your savings. Your money is tax-free when you put it in a health savings account and when you take it out to pay for eligible healthcare expenses. Your money stays with you, even if you change employers or stop working.

### **Spend Tax-Free Money**

Spend your tax-free dollars for eligible medical, pharmacy, dental and vision expenses not covered by your insurance plan. After-tax dollars only offer 6o-75% of the spending power you earned; tax-free gives you 100%. Pay for current healthcare expenses or save your money for the future and watch it grow.

### **Retire With Tax-Free Money**

Start saving now to make sure you can cover your medical expenses later. Any dollars you don't spend for healthcare now can be invested to maximize your long-term savings. Interest and earnings are also tax-free when used for eligible healthcare expenses.

# Use it now or use it later – it stays tax-free when used for healthcare expenses

#### **Grow Your Money**

When you choose to invest, the money deposited in your account is tax-free and so is the interest it earns. The sooner you begin saving, the more you will have available when you retire.

Once you have reached a certain balance and set up your investment account, money sweeps into your investments in \$100 increments. If a large expense comes up, money sweeps back out to cover it. You may choose from a variety of investments.

A small quarterly fee, calculated as a percentage of your total investments, will be charged to your account. The bank acts solely as custodian with any mutual funds being offered and sold through a registered broker-dealer by prospectus only. Past performance. As with all investments, mutual funds involve risk. The investment return and principal value will fluctuate so that shares, when redeemed, may be worth more or less than their original cost. Read the prospectus carefully before you invest. Some funds have a redemption fee under certain circumstances. Mutual fund investments are not FDIC insured, and are not guaranteed by Chard Snyder or Healthcare Bank.
