If you do not enroll in the Basic Health plan, you are no longer eligible to put money in HSA Advantage™. Because the balance in your HSA account is still yours, you must make a decision.

**I Did Not Enroll in Basic Health**

*What Now?*

**I want to keep my current HSA Advantage account**

- Your account will automatically stay with Chard Snyder
- An administration fee of $4 will be deducted from your account each month (fee previously paid by UVA)
- If you re-enroll in *Basic Health* in the future, UVA will resume making your pre-tax HSA Advantage contributions and paying the monthly fee
- You can continue to use your account as usual with your existing prepaid benefits card

**New HSA Account**

- You will pay a one-time $20 fee to close your HSA Advantage bank account
- Decide where you wish to move the balance in your Chard Snyder health savings account (HSA)
- Set up an HSA at the new bank
- Send an HSA transfer form from the new bank to Chard Snyder
- Chard Snyder will close your account and transfer your funds to the new account; this process may take up to 60 days to complete

**Note:** Under some conditions, you may still be eligible to contribute to your account. If you think you may still be eligible to contribute, contact Chard Snyder at askpenny@chard-snyder.com to discuss eligibility requirements.

**Eligible Expenses**

Use your HSA funds to pay for a variety of expenses for you, your spouse, and your dependents, but keep in mind the IRS has specific rules about which expenses are eligible.
