Week 2 - New Team Member Meeting Guide

Action Items:

- Discuss the **ASPIRE Attestation** document with the new team member, and focus on the behaviors associated with each value
 - Ask that s/he commit to the ASPIRE values by signing a copy to retain in his/her department file
- Ensure that the new team member has met his/her Buddy
- Recognize the team member for any accomplishments in his/her first two weeks of employment
- Discuss the importance of wearing the "Pleased to Meet You" New Team Member ID Badge Holder and how it will help team members identify him/her as our newest addition to the team

Questions:

- So far, how does this job compare to what you thought it would be? Any surprises?

- What have you noticed that our department/organization does really well? Where can we improve?

- What was done at your previous organization (if applicable) that you would like to see implemented here?

- Is there anything that I can do to improve your onboarding experience?

** Document any pertinent information in Workday-Team Performance
