Understanding the constant challenge employees face in finding care, UVA is providing resources to assist in meeting caregiving needs and virtual learning support at a discounted rate.

On this page you will find resources that meet your unique care needs.

On the reverse are more details and how to register for each resource.

HOW TO ACCESS CARE YOU NEED

ONGOING CARE

SITTERCITY

Find full-time nannies, eldercare, tutors, pet caregivers, and more

[Learn more](#)

To Use:

- Create an account with Sittercity through the Bright Horizons Additional Family Supports page by clicking on Search for Sitters, Nannies & Housekeepers
- Sittercity will walk you through the screens to ensure that your specific needs are identified in each job posting on their site
- You can then search for sitters in your area by pay rate, experience, and other features...or simply post the job and providers will email you to express interest
- You can verify background checks and references through Sittercity before choosing your provider
- Select provider and post your payment

Sittercity is providing a free annual membership fee, worth \$140, to UVA employees. This benefit covers the cost of background and reference checks for all selected caregivers.

UVA AFFILIATED CARE CENTERS

Facility-based care for children infant through Pre-K to meet your needs

[Learn more](#)

To Use:

- Contact a care center below
- Malcolm W. Cole Child Care Center:
<https://www.medicalcenter.virginia.edu/childcare>
- Sharon L. Hostler Child Development Center:
<https://child-care-preschool.brighthorizons.com/VA/Charlottesville/upg>
- [UVA Child Development Centers](#): 2 locations managed by KinderCare

BACK-UP & SHORT-TERM CARE

BRIGHT HORIZONS IN-HOME and FACILITY-BASED CARE

In-home care or Facility-based care to meet your needs

[Learn more](#)

To Use:

- Create an account with Bright Horizons
- Enter your child/elder's demographics and complete health forms
- Request care through the Bright Horizons portal
- Bright Horizons will source center-based care or in-home care depending on your needs
- Accept care and post payment

OUT OF NETWORK IN-HOME CARE

When Bright Horizons is not able to source appropriate care due to availability, you may be reimbursed a pre-advised amount by Bright Horizons to source your own care

[Learn more](#)

To Use:

- Bright Horizons will offer out-of-network reimbursement if they cannot source care to meet your needs
- Source your care through friends/relatives or use Sittercity to match your needs
- Submit for reimbursement through the Bright Horizons site once care is complete

SITTERCITY

Post your needs in the portal and source your own day-to-day nannies, eldercare, tutors, or pet caregivers with background checks, references, and more

[Learn more](#)

To Use:

- Create an account with Sittercity through the Bright Horizons Additional Family Supports page by clicking on Search for Sitters, Nannies & Housekeepers
- Sittercity will ensure that your specific needs are identified in each job posting on their site
- You can then search for sitters in your area by pay rate, experience, and other features...or simply post the job and providers will email you to express interest
- You can verify background checks and references through Sittercity before choosing your provider
- Select provider and post your payment

SCHOOL & TUTORING SUPPORT

SITTERCITY

Tutors and caregivers to manage small group learning pods

[Learn more](#)

To Use:

- Create an account with Sittercity through the Bright Horizons Additional Family Supports page by clicking on Search for Sitters, Nannies & Housekeepers
- Sittercity will ensure that your specific needs are identified in each job posting on their site
- Search for sitters in your area by pay rate, experience, and other features...or simply post the job for a "pod" of children with virtual schoolwork, filter schooling support and qualifications, and your needs.
- You can then review your matches and/or applicants.
- You can verify background checks and references through Sittercity before choosing your provider
- Select provider and post your payment

REVOLUTION PREP

Access to educators for virtual tutoring and test preparation

[Learn more](#)

To Use:

- Create an account through the Bright Horizons Additional Family Supports page by clicking on Help with Tutoring & Test Prep
- Select Learn More under the service you wish to select
- Complete your information details
- A Revolution Prep representative will contact you to discuss the program and how they can meet the needs of your child

VARSITY TUTORING

Broad online tutoring and academic enrichment programs

[Learn more](#)

To Use:

- Create an account through the Bright Horizons Additional Family Supports page by clicking on Get Academic and Virtual Learning Support
- Click on "USE IT" in the "Get Academic & Virtual Learning Support" box
- Click on Get Started
- Select the services you are interested in and proceed through the follow-up screening questions
- A Varsity Tutors representative will contact you to discuss the program, cost and how they can meet the needs of your child

MADISON HOUSE VIRTUAL TUTORING/SUPPORT

Virtual tutoring & support for those who qualify from UVA students, employees, and other community members

Provider: Madison House Hoos Helping program

[Learn more](#)

To Use: Contact Hooshelping@madisonhouse.org

CVILLE EQUITY EDUCATION

Active resource for community members who qualify to get and give support
