COMPLETING THE RETIREMENT PLAN ELECTION FOR ORP FOR HIGHER EDUCATION

Understanding the Plan Provisions (Please read carefully)

Because the plans available to you are structured differently, you must read the “Choosing Your Retirement Plan” comparison guide before making your election to participate in the ORP for Higher Education. (The guide is located on the VRS website at www.orphe.varetire.org. By submitting this form you agree to the following conditions:

- a. If you elect the ORP, you have the right to transfer any member contributions and accrued interest in your VRS-administered defined benefit plan or the defined benefit component of the Hybrid Retirement Plan to the ORP. Should you elect such a transfer, you will waive any rights or entitlements which have accrued under the VRS-administered defined benefit plan or defined contribution component of the hybrid plan. **Note:** If you return to work in a VRS-covered position, you would not be eligible to purchase the service period associated with any funds transferred to the ORP.
- b. If you elect the ORP and you elect *not* to transfer the contributions and interest in your VRS-administered defined benefit plan or the defined benefit component of the Hybrid Retirement Plan, you will retain *any* rights and entitlements which may have accrued under the plan. You must have at least *five (5) years* of creditable service in the VRS-administered defined benefit plan or the defined benefit component of the hybrid plan in order to be eligible for a monthly benefit.
- c. By electing the ORP, you will waive any rights or entitlements which might have accrued had you elected the Hybrid Retirement Plan or applicable VRS Plan 1 or Plan 2 defined benefit plan.
- d. Election of the ORP does not alter your required participation in the State Group Life Insurance Plan as a condition of employment provided you are eligible for such plan, unless you are employed by the University of Virginia which administers its own life insurance plan.
- e. Your election, once executed, is irrevocable unless you have a future change in employment status that affords you different coverage options.
- f. You may not receive a retirement benefit based on service in a VRS-administered defined benefit plan, a VRS-administered ORP, or an ORP authorized by VRS and simultaneously participate in the ORP other than to receive ORP annuity payments.
- g. If you elect the ORP and do not elect a provider and/or do not give direction concerning how your plan contributions will be invested, your contributions will be directed by the default procedure established by the Plan.
- h. Neither VRS, the Defined Contributions Plans Advisory Committee nor the institution have any fiduciary responsibility for your actual selection of investments from among the available options.

Completing the Form:

Boxes 1-4: Enter your personal information.

Box 5: List any previous VRS service or service in a Virginia ORP for which you continue to have a balance resulting from that period of employment. An eligible ORP account balance must be from prior employment with a Virginia institution of higher education, a state agency or authority that qualified you to participate in the ORP for Political Appointees, a school division with which you participated in the Optional Retirement Plan for School Superintendents, or from an optional retirement plan offered by the University of Virginia, Virginia Tech, George Mason University, Virginia Commonwealth University, or the College of William and Mary.

Note: The University of Virginia Medical Center offers a separate ORP that is not authorized or administered by VRS, as outlined in the *Code of Virginia*. Previous service in the University of Virginia Medical Center ORP will not count towards your plan designation (Plan 1 or Plan 2) when moving to a VRS-administered plan, including the Hybrid Retirement Plan and ORP.

If you list any covered service, you must provide one of the following:

- a. If you were a member of a VRS-administered defined benefit plan or the Hybrid Retirement Plan, submit a copy of your current Account Summary page from myVRS.

The statement must substantiate that the existing balance was from a period of previous covered employment. If you can provide this documentation, you may be covered under the plan provisions in force at that time which may be different than current plan provisions.

Box 6: Enter your first date of employment in your current position.

Box 7: Complete the necessary selections and make your election to participate in either the ORP for Higher Education or the VRS Hybrid Retirement Plan (or the corresponding Plan 1 or Plan 2 VRS defined benefit plan at the time of your eligibility to elect the ORP).

You are eligible to elect the ORP for Higher Education if your employer certifies you are employed in an eligible position and 1) you have not previously been employed in an eligible position or 2) if you were previously employed in an eligible position, you have had a break in service. A break in service is defined as a period of at least one full calendar month during which you received no VRS defined benefit plan service credit, no ORP contributions and no active member benefits. Summer breaks, educational leave and leave without pay do not constitute a break in service.

If you were previously in a position eligible under the ORP for Higher Education and moved to another eligible position with a different employer without a break in service, you stay in the retirement plan you originally chose.
