UVA Health team members,

Workday Learning will replace the NetLearning management system in the Medical Center, University of Virginia Physicians Group, School of Medicine, School of Nursing, and Community Medicine in stages beginning September 2020.

This process will impact all team members in how learning and training requirements are accessed and fulfilled. The timeline below represents the four stages of this transition:

Throughout the duration of this project, we ask that you please refer to the [Workday Learning project webpage](#) for the most up-to-date information.

You are receiving this email because you are a team member who will be affected by this change. As we approach the various launch dates, please acknowledge the following:

- You will be a 'Learner' who will complete learning requirements in Workday Learning beginning September 15, 2020.
- As a 'Learner,' you are expected to read regular email updates and complete required actions to prepare for Workday Learning.

For questions and concerns related to Workday Learning, please email AskHR@virginia.edu with the subject line, "Workday Learning launch."

Thank you for your attention and participation.
