BEFORE YOUR FIRST DAY

1) Get Acclimated
✓ Check in with your manager and discuss guidelines and expectations for your work schedule.
Medical Center International Nurse new hires are expected to be on-site on their first day,

June 2023 - MC International Nurses
unless they have made alternative arrangements with their manager. Please be sure to connect with your manager before your first day of work, if you have not done so, already.

✓ Visit the HR COVID-19 Website
✓ Be fully vaccinated (fully is 2 weeks after 2 dose vaccine or 1 dose J&J) if you are a Tier 1 employee. Understand COVID Vaccination Requirements and Guidelines for New Hires
✓ Team members are required to self-monitor for COVID-19 symptoms prior to reporting to work. Team members who have symptoms should not report to work. Instead, they should contact their supervisor and Employee Health for further evaluation.
✓ Visit the UVA Health New Hire Portal
✓ Additionally, discuss with your manager the following items:
  ▪ Where you can obtain a laptop/technology/mobile phone, if required
  ▪ Overview of unit
  ▪ Department mission, goals, and culture
  ▪ Tour of department/unit (if applicable)
  ▪ Introduction to unit leaders, team members, key contacts, and processes
  ▪ Stay in contact (especially if you will be working remotely)
  ▪ Job description and performance expectations
  ▪ Designated or non-designated status
  ▪ New hire probation policy (be sure to review the correct organization)
  ▪ Confidentiality and privacy expectations

2) Claim Your UVA Computing Account

New Hires: Read the “Account Claim” email you received from identity.virginia.edu before your start date.

Follow the Account Activation Guide to create a UVA password and set up a device for 2-Step Login (Duo). You will use these login credentials to log in to Workday and other UVA systems in the future.

TIP: If you haven't already, add a secondary device to 2-Step Login Duo as a backup authentication method.

Do you have a prior affiliation with UVA? As a former or current employee, student, applicant, contractor/vendor, etc., you have already activated your account and will not receive an email.

▪ If you have forgotten your UVA credentials, learn your UVA computing ID or reset password
▪ If you have not enrolled your preferred devices, add your devices to 2-Step Login (Duo)
▪ Use these login credentials to log in to Workday and other UVA systems in the future.

If you are unable to get your UVA password, computing ID, or set up a device for Duo, contact the UVA Help Desk at 434.924.4357 for assistance.
3) Enroll and Complete First Time Login for UVA Health Network Account: Complete eLearning Module for First Time Sign-In for UVA Health

**IMPORTANT:** You must know your Computing ID and University ID to complete this module.

**How to find your Computing ID:** The computing ID was provided through the “Account Claim” email from identity@virginia.edu or your UVA sponsor/supervisor.

**How to find your University ID:** The University ID can be obtained in Workday. Select the profile image at the top right-hand corner of your Workday homepage. Next, click “View Profile.” Your University ID is listed under “Job Details.” It is a 9-digit number labeled “Employee ID” or “Contingent Worker ID.”

**ON YOUR FIRST DAY - ORIENTATION**

An In-Person HR Orientation session will be held at the Education Resource Center (ERC), Conference Room A, from 8:00 – 11:00 a.m. for Medical Center new hires and Medical Center International Nurses only, at this time. Registration will take place from 7:00 – 8:00 a.m.

- **Parking:** New hires should plan to park in an outlying lot for Orientation. The lot will be indicated on the two-week temporary pass provided to new hires, which is linked here. New hires should print off their two-week temporary pass, park in the lot indicated on their pass, and plan to take the University Transit System (UTS) shuttle to the Main Hospital stop (which is directly across the street from the Education Resource Center (ERC). Ample time should be planned for parking and bus travel to ensure you arrive on time. There is no on-site parking for Orientation, and new hires should not park in either parking garage.

- **Masks:** Although the use of masks is optional at the ERC, it is mandatory in other UVA Health locations. Be sure to have a mask with you.

- **A continental breakfast** will be provided at in-person orientation.

- **Lunch with your manager:** Medical Center new hires (and their manager) will each be provided with one $10 gift card for lunch at the UVA Hospital cafeteria.

- **Training:** New hires are asked not to leave any in-person training they have scheduled during their first week to complete other onboarding tasks. Please be sure to attend and participate in all training as instructed.

**DURING YOUR FIRST WEEK - ONBOARDING**

1) **Log In and Explore Workday**

Workday is a human resources technology system used to manage most HR activities, including benefits, pay, time, absence, and more. Further information is available at [Workday Central Site](#).

After logging in to Workday, look around and familiarize yourself with common tasks and the resources available to you. We recommend that you:
✓ Review the **New Hire Workday Basics Job Aid**
✓ Visit the **Workday Training Site** for tutorials on basic Workday tasks
✓ Download **Workday Digital Assist (WDA)** to receive help in Workday when you need it. You can also learn more about WDA on the HR website.

2) **Explore Workday Learning**

✓ Navigate to the UVA HR page (www.hr.virginia.edu)
✓ In the top banner, click on the orange Workday Login key.
✓ You will need your NetBadge login to continue.
✓ From the Workday homepage, click on View All Apps, then select the Learning option from the resulting menu.
✓ Your computer-based learning modules have been assigned to you; they are in the Required for You section at the top of the page.

*For login problems, please contact AskHR@virginia.edu or 434.243.3344.*

3) **Complete Computer-Based Learning Modules**

As a new UVA Health team member, you will see several computer-based learning (CBL) modules in the Required for You section of Workday Learning. You are registered for these modules but not enrolled. You must click on each module to enroll. Be sure to adhere to all deadlines: some modules are due before attending class; some modules are due within two weeks.

To see which modules you are registered for, visit this Workday Learning Essentials webpage, and select the Medical Center Contingent Workers category under the Mandatory Training section.

Depending on your role, you may be assigned additional modules.

**COVID Prevention Training**
The Virginia Department of Labor and Industry (DOLI) requires a new level of COVID Prevention training for all employees at UVA. For additional details and link to the course, please visit the COVID Prevention Training Course webpage (this page is behind NetBadge). The course can be accessed through Workday Learning by logging into Workday. Your manager is responsible for ensuring your completion of the course.

4) **Enroll in Emergency Alerts**

Sign up for emergency alert registration at [https://uvaemergency.virginia.edu/uva-alerts](https://uvaemergency.virginia.edu/uva-alerts).
5) Obtain Your ID Badge

UVA Health team members are required to wear identification badges. You will use your ID badge to clock in/out, if required, and to access various buildings and doors. You must obtain your ID badge during your first week of work, and before your first independent shift, so plan accordingly as your schedule allows. **Please do not go to the ID Badge Office during any other in-person training, or during breaks in these trainings.** For instance, if you have training scheduled for all day on Tuesday and Wednesday, you will need to go on Monday.

Bring photo identification and go to the ID Badge office to complete this process. The ID Badge Office is located in the West Complex. Hours of operation are 8:30 a.m. to 4:15 p.m. Monday-Friday, and they close promptly. Please allow ample time to complete this task; you should expect to wait in line.

6) Obtain Your Parking Permit

The temporary permit ([available here](#)) is valid for new UVA Health team members; **this permit is good for two weeks only. International Nurses should not download/print this parking pass until the Friday before the Monday of UVA Health Orientation.** Please read the instructions on the pass related to your parking and transportation options for the Medical Center and display the temporary permit on the driver's side of the dashboard.

For your permanent parking permit, an email will be sent to your UVA email address from the UVA Health Parking office. Please complete this form by following the instructions in the email. Once the form is processed, you will receive a confirmation email with further instructions on how to obtain your permanent parking pass.

Additional Orientation & Training Information

Please review this section for instructions on Orientation to Patient Care (OPC), Introduction to Clinical Care (ICC), Clinical Practice Essentials (CPE), Epic Clinical Training, Epic Revenue Cycle Training, and Non-Epic Revenue Cycle Training.

**Orientation to Patient Care (OPC)** online module assigned to anyone with patient contact

**Introduction to Clinical Care (ICC)** – in-person on Tuesday (Wednesday if Orientation held Tuesday)

**Clinical Practice Essentials (CPE)** – in-person on Wednesday (Thursday if Orientation held Tuesday)

**Orientation to Patient Care (OPC), Introduction to Clinical Care (ICC)**

If you do not receive this e-mail or if you have any questions, please email NPDservices@hscmail.mcc.virginia.edu.

**Epic Clinical Training**

Epic Clinical Training is offered in a variety of delivery formats, including virtual, classroom and inter-departmental instruction. Upon being enrolled in your course, you will receive the following emails:

1. **All Training Participants** - An auto-generated email from Workday Learning confirms your enrollment and provides additional details pertinent to your training.

2. **Virtual Delivery Only** - An introductory email from your Epic instructor that contains all the required information needed to both prepare for and connect to your training.
   - If you are scheduled for virtual training, preparing your personal technology environment can take up to 20 minutes. Therefore, it is HIGHLY RECOMMENDED that you attend a live Technology Setup Session prior to your class to assure proper IT setup.
   - Additional resources can be found on the Epic Learning Library under the Virtual Training Resources tab.

If you do not receive a second email, your training will be in-person and further details on time and location can be found in Workday Learning. **Please do not complete any other onboarding tasks during training.**

If you have any questions, please email EpicClinicalAccess@hscmail.mcc.virginia.edu.

**Epic Revenue Cycle Training and Non-Epic Revenue Cycle Training**

If you are scheduled for **Epic Revenue Cycle Training**

- Log into Workday Learning to view your assigned Program and select the option for your Virtual Set up Session offering by end of day Monday
- Open and read your Revenue Cycle Virtual Training Class Information email sent to your UVA email address; follow included instructions
- Attend the Virtual Set-up sessions that typically occur the Tuesday of orientation week
- Attend your online class(es), as scheduled
- View any additional tools needed to support training

June 2023 - MC International Nurses
NOTE THE FOLLOWING:

- Some programs require computer-based learning modules and courses as prerequisites. These CBLs must be completed in the identified order, as scheduled in Workday Learning.
- Classes will begin promptly at the designated time.
- Late arrivals and/or absences may result in rescheduling. This will cause a significant delay of up to two weeks for required training necessary to secure access related to your job tasks.
- **Please do not complete any other onboarding tasks during training.**

If you have any questions, please email RevenueCycleTraining@hscmail.mcc.virginia.edu.
