New Hire Responsibilities: Orientation and Onboarding

1) Activate Your Account
   1. Read the account activation email you received from identity.virginia.edu on or before your start date.
   2. Follow the Account Activation Guide to create a UVA password and set up a device for 2-Step Login (Duo). You will use these login credentials to log in to Workday and other UVA systems in the future.
   3. If you haven't already, add a secondary device to 2-Step Login Duo as a backup authentication method.

**Do you have a prior affiliation with UVA?** As a former or current employee, student, applicant, contractor/vendor, etc., you have already activated your account and will not receive an email.
• If you have forgotten your UVA credentials, learn your UVA computing ID or reset password
• If you have not enrolled your preferred devices, add your devices to 2-Step Login (Duo)
• Use these login credentials to log in to Workday and other UVA systems in the future.

If you are unable to get your UVA password, computing ID, or set up a device for Duo, contact the UVA Help Desk at 434.924.4357 for assistance.

2) Follow the “New to UVA” IT Checklist

To finish your IT setup, e.g., request a UVA email account, set up Zoom, etc., see the New to UVA IT Checklist.

If your department offers its own IT support, known as a Local Support Partner (LSP), you may complete these steps in conjunction with your LSP on, before, or after your first day of work.

3) Explore Workday

Workday is a human resources technology system used to manage most HR activities, including benefits, pay, time, absence, and more. Further information is available on the Workday Central Site.

After logging in to Workday, look around and familiarize yourself with common tasks and the resources available to you. We recommend:

• Reviewing the New Hire Workday Basics Job Aid
• Visiting the Workday Training Site for tutorials on basic Workday tasks

4) Complete Section 2 of Your I-9 Form

You will complete Section 1 of the 1-9 on your own in Workday.

You will receive an email from Human Resources prompting you to complete Section 2. You will need to take a picture of your List A, List B and/or List C documents and upload them into the Worker Documents Section in Workday. A list of acceptable documents can be found here.

Uploading Worker Documents in Workday:

• Navigate to your profile by clicking on your picture in the upper right corner of Workday.
• Click Actions, then scroll to Worker History, then click Maintain Worker Documents.
• Click on Add.
• Click Select files or drop files where indicated.

Respond back to the email that you received from Human Resources when you have uploaded the appropriate documents so that they can confirm receipt and complete your I-9 process.
PLEASE NOTE that once UVA returns to normal operations, the Department of Homeland Security still requires that you present these documents in person at 2420 Old Ivy Road within three business days.

If you have any questions, please promptly contact AskHR@virginia.edu.
