✓ Be fully vaccinated (fully is 2 weeks after 2 dose vaccine or 1 dose J&J) if you are a Tier 1 employee. Understand COVID Vaccination Requirements and Guidelines for New Hires
✓ Team members are required to self-monitor for COVID-19 symptoms prior to reporting to work. Team members who have symptoms should not report to work. Instead, they should contact their supervisor and Employee Health for further evaluation.
✓ Visit the UVA Health New Hire Portal
✓ Additionally, discuss with your manager the following items:
  • Where you can obtain a laptop/technology/mobile phone, if required
  • Overview of school/unit and VP area
  • Department mission, goals, and culture
  • Tour of department/unit (if applicable)
  • Introduction to department/school leaders, team members, key contacts, customers
  • Stay in contact (especially if you will be working remotely)
  • Job description and performance expectations
  • Designated or non-designated status
  • New hire probation policy (be sure to review the correct organization)
  • Confidentiality and privacy expectations

2) Claim Your UVA Computing Account

Read the “Account Claim” email you received from identity.virginia.edu before your start date.

Follow the Account Activation Guide to create a UVA password and set up a device for 2-Step Login (Duo). You will use these login credentials to log in to Workday and other UVA systems in the future.

TIP: If you haven't already, add a secondary device to 2-Step Login Duo as a backup authentication method.

Do you have a prior affiliation with UVA? As a former or current employee, student, applicant, contractor/vendor, etc., you have already activated your account and will not receive an email.

• If you have forgotten your UVA credentials, learn your UVA computing ID or reset password
• If you have not enrolled your preferred devices, add your devices to 2-Step Login (Duo)
• Use these login credentials to log in to Workday and other UVA systems in the future.

If your department uses Academic accounts, use your computing ID and password to login to your computer. For School of Medicine employees in departments who use UVA Health computers, your account may need to be requested here before logging in. Check in with your manager, department administrator, or manager designee.

If you are unable to get your UVA password, computing ID, or set up a device for Duo, contact the UVA Help Desk at 434.924.4357 for assistance.

How to find your Computing ID: The computing ID was provided through the “Account Claim” email from identity@virginia.edu or your UVA sponsor/supervisor.

How to find your University ID: The University ID can be obtained in Workday. Select the profile image at the top right-hand corner of your Workday homepage. ON YOUR FIRST DAY

In your Workday learning account, you will be assigned an Orientation training module called **UVA Health Orientation Online**. Please be sure to complete this as soon as possible, on your first day. This is a self-guided task and does not start/stop at any specific time. There is no in-person HR Orientation session you need to attend at this time.

You are expected to be on-site on your first day unless you have made alternative arrangements with your manager. Please be sure to connect with your manager before your first day of work, if you have not done so, already.

DURING YOUR FIRST WEEK - ONBOARDING

1) Log In and Explore Workday

Workday is a human resources technology system used to manage most HR activities, including benefits, pay, time, absence, and more. Further information is available at **Workday Central Site**.

After logging in to Workday, look around and familiarize yourself with common tasks and the resources available to you. We recommend that you:

- Review the **New Hire Workday Basics Job Aid**
- Visit the **Workday Training Site** for tutorials on basic Workday tasks
- Review **UVA Benefits for New Benefitted Employees**, a recorded presentation on your health, dental, vision, retirement, life, disability, and PTO benefits (more information on Benefits in Step 8)
- Download **Workday Digital Assist (WDA)** to receive help in Workday when you need it. You can also **learn more about WDA** on the HR website.

2) Complete Your I-9 – Section 2

You will complete Section 1 on your own in Workday.

You will receive an email from Human Resources prompting you to complete Section 2. You will need to take a picture of your List A, List B and/or List C documents and upload them into the Worker Documents Section in Workday. A list of acceptable documents can be found [here](#).
Uploading Worker Documents in Workday:

- Navigate to your profile by clicking on your picture in the upper right corner of Workday.
- Click Actions, then scroll to Worker History, then click Maintain Worker Documents.
- Click on Add.
- Click Select files or drop files where indicated.

Respond back to the email that you received from Human Resources when you have uploaded the appropriate documents so that they can confirm receipt and complete your I-9 process.

**PLEASE NOTE** that in the future, the Department of Homeland Security will require that you present these documents in person. When further action is required, you will receive an email from Human Resources.

3) Explore Workday Learning

- Navigate to the UVA HR page (www.hr.virginia.edu)
- In the top banner, click on the orange Workday Login key.

Please do not go to the ID Badge Office during any other in-person training, or during breaks in these trainings. For your permanent parking permit, an email will be sent to your UVA email address from the UVA Health Parking office. Please complete this form by following the instructions in the email.
