Speaker: Brooke Bailey, Digital Accessibility Coordinator, UVA

Question slide: Tell us about your work in the Office for Equal Opportunity and Civil Rights (EOCR) at UVA.

Brooke Bailey: Hi, my name is Brooke Bailey and I work in the EOCR office on the ADA Coordinator team. I love working in this office because it allows me to make meaningful impact in people's lives. The lives that our office impacts are our faculty, staff, students, our community members, and even UVA Health patients. Every day, we're making a difference, ensuring accessibility and inclusivity for everyone. In the EOCR office we don't just work, we make meaningful change happen.
