A verification email will be sent to the email address you entered. Click the link in the email to activate your account.

After clicking the link, a sign in page will appear. Sign in using your email address and the password you created.

Applying for a Job

After creating an account, you can now apply for a job at UVA.

1. Find a position you wish to, then click Apply.

2. Sign in using your email address and password.

3. After signing in, the first screen that will appear is Quick Apply. On this screen you have the option of uploading your resume/CV. Workday will then automatically parse your work experience, education, and skills from your resume into your candidate profile. If you choose to use Quick Apply, it is critical to carefully review each field of your job application before submission as all of the data from uploaded documents may not translate to the job application.

4. Click Next.
5. Complete the required fields on the **My Information** screen. If you used Quick Apply, verify that the information automatically entered is correct, then complete any remaining fields.

6. Click **Next**.

7. Complete the work experience and education fields on the **My Experience** screen. If you used Quick Apply, verify that the information automatically entered is correct, then complete any remaining fields. If you did not upload a resume/CV on the Quick Apply screen, you can do that here.

8. Click **Next**.

9. Complete the questions on the **Application Questions** screen. Note that all questions are required.

10. Click **Next**.

11. Complete the questions on the **Personal Information** screen. Note that you must acknowledge that you have read and consent to the terms and conditions before continuing.

12. Click **Next**.

13. Complete the questions on the **Self Identify** screen.

14. Click **Next**.

15. Review your information on the **Review** screen. If the information is correct, click **Submit** to submit your application for the job.

### Completing a Draft Application

After starting an application, if you do not have time to finish it, the application will be automatically saved under **My Draft Applications** on the Candidate Home screen. After clicking the saved draft application, you can continue the application, view the job posting, or delete the application.

---

**Note:** It is imperative that we have your correct email address entered in the application.
1. Log back into the applicant site in Workday using the username and password you created in section 1.

2. Click on the Candidate Home link.
3. Click the application under **My Draft Applications**.

4. Click on the link under My Draft Applications.
5. You will see a progress bar as you navigate through the rest of the application.

6. Once the application is complete, click **Submit**.

The application will now appear in your Candidate Home under My Submitted Applications.
Accepting a Job Offer

After applying for jobs, and participating in the interview process, view your profile regularly to see if you’ve been offered the job.

1. Sign in using your email address and password.

2. Click on Candidate Home.

3. If you are offered the job, you will see an exclamation point in front of the application you submitted.

4. Click on the Job Application.
5. Click on **Review Documents**.

6. Click on the **Offer Letter** link.

7. Review the offer.

8. To accept the offer, click the blue **eSign by DocuSign** button.

9. Click the ‘**I agree to use electronic records and signatures**’ checkbox.

10. Click the **Continue** button.
11. Click **Start** (located at the top left of the offer letter).

12. The screen will scroll down to the signature line. Click the **Sign down-arrow**.

13. A pop-up window displays, which allows you to change your style if desired, by clicking the **Change Style** link.
14. If you wish to accept the offer, click the **Adopt and Sign** button.
