1) **Get Acclimated**

Check in with your manager (see checklist above)

Visit the [HR COVID-19 Website](http://hr.uva.edu/COVID-19). Access the [New Hire Resources](http://hr.uva.edu/newhire). You will find many helpful links to navigate your first few weeks.

2) **Find Your Computing ID and University ID**

Your Computing ID can be found on the UVA Login Information page, linked [here](http://hr.uva.edu/login). Your University ID nine-digit number can be found on the UVA Login information page, linked [here](http://hr.uva.edu/login).

Review the "[New to UVA] Technology checklist"

*If you are unable to log into the University network, or have questions, please call the IT Help Desk at 434.924.4357 or visit the [IT Helpdesk](http://hr.uva.edu/helpdesk).*

3) **Access NetBadge**

NetBadge is the gatekeeper between users and websites, services, or applications at UVA that need to know and verify user identity before granting access. Further information is available [here](http://hr.uva.edu/netbadge).

4) **Access 2-Step Login (DUO)**

All UVA students, faculty, and staff are required to enroll in 2-Step Login (Duo) to access NetBadge-protected resources. Further information is available [here](http://hr.uva.edu/duo).

5) **Access Workday**

This Human Resources technology system is used to manage most HR activities, including Benefits, Pay, Time, Absence and more. Further information is available [here](http://hr.uva.edu/workday).
Also, please review the New Hire Workday Basics Job Aid and visit the Workday Training Site for tutorials on basic Workday tasks.

6) Enroll in Emergency Alerts

Sign up for emergency alert registration at http://uvaemergency.virginia.edu/uva_alerts.

7) Complete your I-9

You will complete Section 1 on your own in Workday. You will receive an email from Human Resources prompting you to complete Section 2. You will need to take a picture of your List A, List B and/or List C documents and upload them into the Worker Documents Section in Workday. A list of acceptable documents can be found here.

Uploading Worker Documents in Workday:

- Navigate to your profile by clicking on your picture in the upper right corner of Workday.
- Click Actions, then scroll to Worker History, then click Maintain Worker Documents.
- Click on Add.
- Click Select files or drop files where indicated.

Respond back to the email that you received from Human Resources when you have uploaded the appropriate documents so that they can confirm receipt and complete your I-9 process.

PLEASE NOTE that once UVA returns to normal operations, the Department of Homeland Security still requires that you present these documents in person at 2420 Old Ivy Road within three business days.

If you have any questions, please promptly contact AskHR@virginia.edu.

8) Complete Orientation Training in Workday

*Please note you will not have access to Workday Learning or these trainings before your start date.

**Trainings must be completed within two (2) weeks of date of hire**

You have three (3) GFS orientation training courses assigned as a “campaign” in Workday:

- “GFS - Getting Paid & Taking Leave”
- “GFS - Policies and Standards”
- “GFS - Safety and Security”

You have four (4) required training courses assigned, separately, in Workday:

- “Not on Our Grounds Responsible Employee” (Title IX)
You will be prompted to enter your University computing credentials to be given access. You will “register” for the module by providing some information. This is a one-time process. Once you register, you will arrive at the “Dashboard,” where you will click “Access Course” item to begin the module. Please note that the training is not hosted in Workday. The module is available from an entirely separate, web-based platform.
