Instead, orientation has been modified to be delivered through a synchronous Zoom presentation and asynchronous computer-based learning modules. Among the topics discussed during the Zoom session will be the Remote Onboarding Guides, which assist both managers and new hires with the onboarding process.

Attend the “Grounds for Success” Zoom session here, or use the information below

   3. If you haven’t already, add a secondary device to 2-Step Login Duo as a backup authentication method.

   Do you have a prior affiliation with UVA? As a former or current employee, student, applicant, contractor/vendor, etc., you have already activated your account and will not receive an email.
