**TIP:** If you haven't already, add a [secondary device to 2-Step Login Duo](#) as a backup authentication method.

**Do you have a prior affiliation with UVA?** As a former or current employee, student, applicant, contractor/vendor, etc., you have already activated your account and will not receive an email.

1) Log In and Explore Workday

Workday is a human resources technology system used to manage most HR activities, including benefits, pay, time, absence, and more. Further information is available at Workday Central Site.

After logging in to Workday, look around and familiarize yourself with common tasks and the resources available to you. We recommend that you:

- Review the New Hire Workday Basics Job Aid
- Visit the Workday Training Site for tutorials on basic Workday tasks
- Review UVA Benefits for New Benefitted Employees, a recorded presentation on your health, dental, vision, retirement, life, disability, and PTO benefits (more information on Benefits in Step 8)
- Download Workday Digital Assist (WDA) to receive help in Workday when you need it. You can also learn more about WDA on the HR website.

2) Complete Your I-9 – Section 2

You will complete Section 1 on your own in Workday.

You will receive an email from Human Resources prompting you to complete Section 2. You will need to take a picture of your List A, List B and/or List C documents and upload them into the Worker Documents Section in Workday. A list of acceptable documents can be found here.

Uploading Worker Documents in Workday:

- Navigate to your profile by clicking on your picture in the upper right corner of Workday.
- Click Actions, then scroll to Worker History, then click Maintain Worker Documents.
- Click on Add.
- Click Select files or drop files where indicated.

Respond back to the email that you received from Human Resources when you have uploaded the appropriate documents so that they can confirm receipt and complete your I-9 process.
PLEASE NOTE that in the future, the Department of Homeland Security will require that you present these documents in person. When further action is required, you will receive an email from Human Resources.
